With the PayRange App

Laundry Payment Made Easy

No more searching for quarters on laundry day. With the PayRange app, residents just swipe and pay from their smartphones. It is a quick, convenient and easy-to-use mobile payment solution for laundry machines.

Download the app, add funds, and then swipe payment to activate a washer or dryer. It's that simple!

Customers love the convenience of the PayRange app. And, if they prefer, they can still choose to pay with coins.
