

NOTICE OF POWER OUTAGE

THURSDAY, JULY 9, 2020
9:30AM - 3:00PM | TOWER 1

During the outage, elevators will be running on emergency power. All common area lights will be on. Laundry facilities will not be available during the outage.

HELPFUL TIPS TO PREPARE FOR A SCHEDULED POWER OUTAGE

- Have a contingency plan for any electronically powered equipment necessary for medical conditions, or for any medications that require refrigeration
- Refrain from opening refrigerator and freezer doors to maintain proper food temperatures
- Plan ahead for meals with the understanding that your stove and microwave may not be available
- Before the outage, turn off and unplug sensitive electronic equipment, such as televisions and computers, to avoid damage in case of a surge when power is restored
